Coldspring Celebrates the Labyrinth

On May 1, 2010 the quiet community of Coldspring Newtown in Baltimore, MD

celebrated 'World Labyrinth Day' and 'Walk as One at 1'

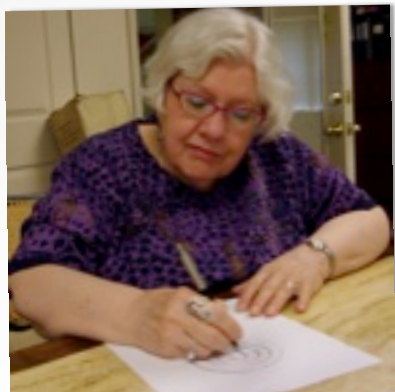

Even though the turnout was small the participants were enthusiastic and joyful.

The program consisted of a slide presentation with handouts on the history and use of Labyrinths around

the world. We then learned to draw our own Labyrinth; creating a 6 foot temporary labyrinth outside in chalk

We then all 'Walked as One at 1' and connected with people all over the globe walking their Labyrinths.
